

Good For You

Terry Barber, Artists for a Cause executive director receives the State of the Arts Grant from Arts & Cultural Alliance Executive Director Richard Gabel.

Artists for a Cause receives grant

Stuart-based nonprofit Artists for a Cause (A4AC) has been awarded a \$500 grant from the Arts & Cultural Alliance of St. Lucie. Artists for a Cause is only one of five arts-related organizations to receive funding from the alliance through its State of the Arts Opportunity grant program.

The grant helps Artists for a Cause cover the costs of its annual Dance for Food event which was held in the weeks before Thanksgiving. The event, which netted more than 1,000 pounds of food, is a way for the organization to fulfill its goal of addressing community needs while supporting arts and culture at the same time. Other grant recipients were Art Mundo, Bluebird Educational Productions, Treasure Coast Art Association and the Treasure Coast Photography Club.
