Congratulations to Our Registered Artists that continue to meet the needs of our community. Our visual and performing artists are making a difference... You've seen it. You've heard it. Most recently, I'd like to thank Timothy Nicholas (pictured), and Jonathan Cummings for their support of a recent event for: "Helping People Succeed".

addressing an issue like poverty, health, and homelessness. From benefit performances, to artist auction packages, and more...Our artists are taking a stance and making a difference, with your support.

2012 Sponsorship Packages Available. Please be in touch if you or someone you know would like a copy. It's a wonderful chance to deepen relationship with customers, and do something positive for the community. All our packages offer companies a unique opportunity to connect with more than one target market, since we take on important issues like health, poverty, and support culture at the same time.

ArtsFest was a wonderful success! Thank you to all registered A4AC artists that

participated. We were proud to have arranged all the performances for both stages for the entire 2-day event. A special "thank you" to Florida Arts and Dance (Irish step group, pictured) for providing the flooring that made dance possible, and to Hank Gonzales (pictured), who helped in more ways than anyone can count!

Italian Fest: BRAVISSIMI ! Some of the area's most gifted vocalists sang in Italian, and really impressed the audience, and us, with their talent. A portion of Italian fest proceeds went to support our cause. Thank you, Unique Events Florida!

Dear Artist for a Cause supporters,

This year we will raise 20,000 meals to feed the poor, and have 70 therapeutic music performances in nursing homes, assisted living facilities, and hospitals. Additionally, the A4AC High School clubs are helping students to see the power that their art has to improve our community.

I am proud of our models that use art as a catalyst, addressing important concerns like poverty, health, education, and homelessness... and can produce **ten times the results** that you would otherwise get from **the same budget!**

I want to personally thank those leaders in our community that have already shared their time and feedback with me. I look forward to connecting with you more.

Together, we will help improve communities through artistic endeavors.

We look forward to getting to know you.

Please consider us a worthy recipient of your charitable dollars. And, please never hesitate to be in touch. I am excited about our growth and development, and want to share some of our successes with you.

With several amazing programs that are growing, having greater outreach, there has never been a better time to get involved as a volunteer, sponsor, or donor. You can Help Us, Help Artists, Help The World!

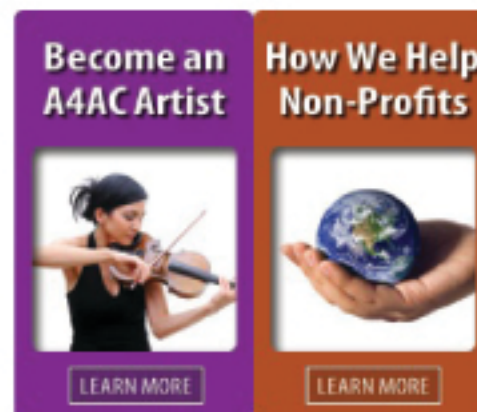

Warm regards,
