Local musicians will light up the Harriet Himmel Theater stage in CityPlace with perhaps our most popular concert of the year!

All proceeds will benefit Artists For A Cause, a non-profit organization that facilitates artist support of important causes. They create essential opportunities for artists using art in innovative ways to help communities.

These AMAZING local musicians will perform jazz, classical, opera and popular music.

The Music for the Mind Concert Series is held on the third Tuesday of every month at 7:00 p.m. in the Harriet Himmel Theater in CityPlace. Each concert presents a different musical group. All ticket sales go to the performing organization. Since its inception in 2002, the series has raised over \$200,000 to help keep music in our community.
