Nov. 4 - Lake Worth Playhouse,

Holiday Greetings!

It has been quite a busy few months for us! We are supporting more visual and performing artists in their efforts to use their talents to support important causes, and producing some great results ourselves with programs that use art as a catalyst to address important community problems like health concerns, poverty, and more.

My national tour is more than 1/3 completed! Audiences burst into applause when I explain the mission of our organization - Plus, we've begun to see an increase in national artist registrations!

Thank you to everyone that participated in our "Therapeutic Music Day" or "Dance for Food" events recently. You are an integral part of our success. If you'd like to sponsor any of our events or volunteer at our office, please contact us.

Sincerely,

Terry Barber,  
Founder and Executive Director
